PRESS RELEASE
FOR IMMEDIATE DISTRIBUTION

Washington, DC June 28, 2022 – M&C Consulting will join world leaders, advocates, and survivors to support the global religious freedom movement at the International Religious Freedom Summit (IRF) 2022.

The three-day summit, held in Washington, DC, will include personal testimonies of those who have survived religious persecution and restrictions - drawing attention to the cultures, nations, religions, and political systems that are impacted by religious freedom. It will also connect resources and international leaders who advocate for religious freedom around the world.

Elyssa Teslyk, director of operations for M&C Consulting, will represent the Canadian-based company at the summit which will include guest speakers Nancy Pelosi, Speaker of the US House of Representatives, His Excellency Shaikh Abdullah Bin Rashid Al Khalifa, Ambassador of the Kingdom of Bahrain to the United States, and summit co-chairs Katrina Lantos Swett and Samuel Brownback.

“M&C Consulting believes in a world of kindness and dignity, where people can be free to practice their religion no matter what country they live in. I am honoured to attend the IRF Summit, which will be critical to preventing religious persecution and extending global kindness and dignity to all people,” says Ms. Teslyk.

According to summit leaders, almost 80 per cent of the world’s population live in countries where there are governmental or societal restrictions on religion – which has been increasing for several years.

The IRF Summit 2022 will shed light on the difficulties religious groups face within countries that limit religious freedom, and will encourage civil society, people of faith, and governments to take action.

M&C Consulting supports a variety of pro bono, non-profit partners who aim to instill greater dignity, kindness, equity and inclusion in the world, including: the [Global Strategic Institute for Sustainable Development - GSISD](#), [Global Dignity](#), [BPUR International](#), [Vajrayana Foundation](#) and [Bright Minds Enrichment and Schooling](#), to name a few.
