M&C's Director of Partnerships In West Africa Honoured With Prestigious Fellowship

PRESS RELEASE
FOR IMMEDIATE DISTRIBUTION

Dar es Salaam, Tanzania November 25, 2022 – M&C Consulting is thrilled to congratulate our colleague, Diane Bahati, who will join Africa's young leaders in promoting peace and unity as part of the prestigious Mwalimu Nyerere Pan-African Young Leaders Fellowship taking place in Dar es Salaam, Tanzania from November 25 to 30.

Ms. Bahati, M&C's director of partnerships in West Africa, was selected out of 1,300 applicants for the fellowship, which is jointly hosted by the Prime Minister's Office of Tanzania and the Mwalimu Nyerere Foundation.

"The opportunity to participate in the Mwalimu Nyerere Pan-African Young Leaders Fellowship is truly an honour. I look forward to joining the next generation of leaders across the continent as we learn to lead our countries from a place of peace, unity, and responsibility," says Ms. Bahati.

The Mwalimu Nyerere Pan-African Young Leaders Fellowship Programme will work to nurture, train, challenge, engage, define and transform Africa's young generation of leaders into responsible, dedicated, transformative and peace-loving Pan-African leaders. The fellowship reflects the ideas of Mwalimu Julius Nyerere, the former President of Tanzania whose political career was rooted in peace and unity. Peggy Taillon, vice-president and principal of M&C Consulting, says Ms. Bahati's latest achievement reflects the Canadian-based communications and crowdsourcing company's dedication to kindness, dignity and fuelling social impacts.

"Diana's leadership work is truly inspiring, and we are blessed to be part of her journey as she continues her work making impacts across African nations – both now, and in the future," Ms. Taillon says.
