Qaiser Nawab to Showcase M&C Consulting's Vision for AI-Powered Sustainable Development at COP 28 in Dubai

PRESS RELEASE FOR IMMEDIATE DISTRIBUTION

Dubai, November 30, 2023 - M&C Consulting (M&C) proudly announces the participation of Engr. Qaiser Nawab, the company's esteemed Director of Business Development for Middle East and Central Asia, at the 28th Conference of the Parties (COP-28) in Dubai, UAE. Mr. Nawab will represent M&C, a leading advocate for sustainable solutions in the business, government and non-profit sectors, as he shares groundbreaking insights and strategies towards achieving a greener, more resilient future.

COP 28, scheduled from November 30 to December 12, 2023, marks a pivotal moment for global leaders and influencers to convene and deliberate on crucial environmental issues. Mr. Nawab's presence at this prestigious event underscores M&C's commitment to spearheading sustainable initiatives, with a focus on its proprietary AI-powered *Impact Bot* technology, across Central Asia and the Middle East.

With a career steeped in government relations and sustainable development strategy, Mr. Nawab brings a wealth of expertise to the table. His leadership at M&C has led to the implementation of innovative strategies that harmonize economic growth with environmental preservation. Mr. Nawab's vision aligns seamlessly with the COP 28 agenda, focusing on actionable steps to mitigate climate change and foster sustainable development.

"Participating in COP 28 is an honor and a significant opportunity to showcase M&C's dedication to sustainable development," expressed Mr. Nawab. "We are committed to driving change by leveraging innovative solutions that balance economic progress with environmental responsibility."

M&C's presence at COP 28 underscores its steadfast commitment to shaping a sustainable future. Mr. Nawab's participation signifies a proactive stance towards fostering partnerships and collaborations crucial for advancing sustainable development goals across the region.

About M&C Consulting:
